DESIGN EXPERIENCE

Creative Outdoor Toy Design: Gulliver Blocks

Dublin, OH

International Center for Creativity

April, 2022

- Researched the children's outdoor playset market, collected user data, and collaborated with manufacturers and designers to create toy designs that would delight all key stakeholders
- Created and delivered a fully-realized system of play with models and renders, complete with branding information, which will encourage children to play outside more

Card Game Design: ILLUSTRATE

Staunton, VA

Personal Project

September, 2021

- Ideated, prototyped, and community tested several variations of a simple party-style drawing game to discover the best mechanics and game features
- Delivered final game pieces and packaging to be crowdfunded

Illustration and Merchandise Design

Staunton, VA

Shenandoah Aquatics

January 2022

- Crafted a compelling art piece by working closely with Shenandoah Aquatics and discovering their needs and desires for the brand
- Assisted in the creation of a merchandise line to place the art piece of stickers, mugs, and articles of clothing

Idea Generation and Innovation

Dublin, OH

International Center for Creativity and The Village of Cedarville

December, 2021

- Managed a team working closely with the village of Cedarville to redesign the architecture of the downtown area in order to revitalize the community
- Delivered clean architectural sketches and renderings for a conceptual building within the requested time frame

Transportation Solution Exploration*International Center for Creativity and Chick-fil-A*

Dublin, OH

September, 2021

- Incorporated the brand language and philosophy of Chick-fil-A into a new transportation solution to increase productivity and accuracy for team members.
- Collaborated closely with Chick-fil-A corporate to ensure their vision was met and exceeded.

EMPLOYMENT EXPERIENCE**AutoCAD Designer***The Wasserstrom Company*

Columbus, OH

May, 2022 - present

- Organized industrial kitchen layouts in AutoCAD to ensure staff needs are met and exceeded, and all local and national laws are satisfied.
- Collaborated with project managers, engineers, electricians, and plumbers to create exceptional layouts for restaurants, school cafeterias, assisted living facilities, and catering kitchens.

Server / Bartender*Benny's Pizza*

Marysville, OH

May, 2021 - July, 2021

- Provided exceptional customer service both at tables and behind the bar by accurately taking orders, delivering food and drink, and holding friendly conversations
- Effectively balanced multiple orders and large volumes of cash while collaborating with coworkers in a fast-paced environment

Lumber Associate*Lowe's*

Staunton, VA

May, 2018 - August, 2020

- Fostered excellent customer experiences by assisting customers in the selection and handling of lumber, bricks, insulation, and other building materials
- Created clean and enjoyable environments by sorting and organizing shelves in intuitive and easily-navigable schemes

Package Handler*FedEx Ground*

Staunton, VA

August, 2016 - May, 2018

- Constructed secure formations of packages in transportation vehicles by lifting, carrying, and organizing packages up to and above 60 lbs
- Communicated effectively with coworkers to ensure a smooth operation in a high-stress, fast-paced environment with many moving parts

Front-of-House Server*Chick-fil-A*

Waynesboro, VA

April 2016 - August, 2016

- Initiated outstanding customer experiences by taking orders, preparing food, serving customers, cleaning, restocking, and other tasks as needed
- Connected effectively with guests and coworkers to ensure a great dining experience
